To present the Comprehensive plan contract. Mr. Comeaux explained that the Town did not receive a grant for the comp plan. The process will take until March, and then the Town will need to do a small-scale amendment. We were waiting on NEFRC, to create the contract for the Town to sign. A public hearing will go first. After submittal within 30 days, the reviewing agency shall give comments back. A comments report will be sent to the Town. Then, a second hearing will need to be had. The zoning ordinance will still need to be updated. The Comprehensive plan gives the Town a chance to have input of a vision for the Town. The zoning code actually gives you permission to do this. At the second reading of the budget, the scope of work, and then the contract signed. We were getting a bullet list for the timeline.
